

# I Herrens hænder

## *In the Saviours hands (site two)*

KOR:

*I Herrens hænder, i Herrens hænder, eller I Jesus hænder, i Jesus hænder  
der kan jeg hvile, der er jeg tryg.  
Måske det stormer rundt omkring mig,  
men i Herrens hænder, der er jeg tryg!*

1.  
Som en lille fugl med brækket vinge  
var jeg, men blev frelst af Jesus  
Nu flyver jeg, nu kan jeg synge.  
Han leder mig, han viser vej.

2.  
Vi kan så ofte på livets vandring,  
bfuld af uro og angst i sind.  
Om du la'r ordet fra Jesus nå dig,  
kommer tryghed og vished ind.

3.  
Hvis du behøver en, som går med dig,  
når farer truer på ukendt vej.  
Gå til Jesus den gode Hyrde,  
han leder dig, han svigter ej.

4. (Dette vers er brugbar på et møde),  
Om du er her med et såret hjerte  
og ikke magter at kæmpe mer'.  
Så husk at Jesus ser din smerte,  
Læger dit sår, og glad du bli'r.

1.  
Som en lille fugl med brækket vinge  
vil flyve hjem, men ikke kan.  
Så følte alt, ingen vind bar mig.  
Nu flyver den for jeg fandt.

*at i Herrens hænder, i Herrens hænder,  
osv.*

Hvis du behøver en, som går med dig,  
I livets mørke – på ensom vej  
så find's der en, der bær' din byrde.  
Han find's hos dig – til evig tid (eller)  
Han bor i dig – til evig tid

*for i Herrens hænder, i Herrens hænder  
osv.*

## *In the Saviours hands*

Chorus

*In the Saviours hands, In the Saviours hands  
safely I can rest, there I'm secure  
Maybe it's storming all around me,  
but in the hands of God, there I'm secure*

As a little bird with a broken wing  
I was, but Jesus came and saved me  
now I can fly, and now I can sing.  
Guided by Him, he shows the way

Chorus

*In the Saviours hands, In the Saviours hands  
safely I can rest, there I'm secure  
Maybe it's storming all around me,  
but in the hands of God, there I'm secure*

but if you let Jesus words reach you.  
confidence and certainty comes

If you need someone, who will go with you,  
when dangers threatens on unknown road

safely He leads, He never fails

safely I can rest, there I'm secure

If you are here with a wound in your heart,

safely I can rest, there I'm secure  
Maybe it's storming all around me,
